"Motivated Web Developer with strong foundational knowledge of developing website solutions. Proficient in HTML, CSS, tailwind CSS, JavaScript and React, eager to apply and expand skills in a professional environment."

Experience

Projects

1. Mamta Memorial Academy Site

   - Description
     The website ensures broad accessibility by offering digital access to school details and updates. It also highlights the school's achievements, helping build its reputation and attract new students. Additionally, the site supports educational initiatives by offering resources like book lists and syllabus, keeping students and parents informed and engaged.

   - Technology
     HTML5, CSS3, tailwindCSS, JavaScript, Responsive Web Design, Content Management System(CMS) , SEO Optimization and Others.

2. Flipkart UI Clone

3. Abstract Clone

4. Portfolio
